SELF-SACRIFICE IS THE ESSENCE OF LOVE!

“It was hard to believe. All my friends were shocked. A healthy, strong, skillful fighter became a miserable, weak shadow of a human being. It was painful for people to even look at me.

Doctors had serious bad news. It was as if all of the Hell crashed on me. Lung cancer, spine cancer, surgery, chemotherapy, radiation, drugs. When my immune system died, fungus entered my lungs.

I could not eat, drink, breathe, move. I lost sixty pounds. I was paralyzed. Doctors said, “Boris will die at any moment. Prepare a coffin for him.”

But nobody knew
I WAS SUFFERING WILLINGLY!

This commandment I received from my Master:
“Suffer and Pray.”

I offered my suffering up for my sins and for the sins of others.”
Boris Rozumny

“Jesus said, ‘I sacrifice my life willingly... This commandment I received from My Father’”

“If God sends you many sufferings... God... certainly wants to make you a saint.”
