

BORIS ROZUMNY

MOTIVATIONAL SPEAKER, LIFE COACH, SPIRITUAL ADVISOR

“Prize fighter to cancer survivor: I am a Happy man... Though I was Paralyzed, in pain, could not breathe, three years I could not contract muscles... Come, See and Learn how YOU can live Life of Joy and Peace no matter what.”

DO YOU WANT MY JOB?

Jesus said, **“There is no greater love than to lay down one’s life for one’s friends.”**

My job is to suffer and to pray for the suffering souls. I applied for that job in 2013. I love my job and I love my Boss. If you like that job you can apply now. My Boss is the Owner of the Universe.

His name is Loving Father, Beloved Jesus, Lovely Holy Spirit. I have chosen to suffer willingly with joy. I’ve learned to have fun doing my job. It’s been my only pleasure for some years.

And I have great rewards. My Bride is the Grace of God. Jesus comes to me whenever I call Him.

The Holy Spirit with His gifts lives in me.

Almighty Father Loves me and I feel His Love always. And I always have Joy, Peace, Love in my heart. In 2015 Jesus appointed me as a Spiritual Adviser.

MY BOSS IS HIRING!

Our Lord told Saint Faustina,
“If the angels were capable of envy, they would envy us for two things: one is the receiving of Holy Communion, and the other is Suffering.”

**Suffering exists because of sin.
God never intended for us to suffer.**

**But it is when we offer our suffering
~the one thing most disagreeable to our human
nature~**

**back to the Creator,
it becomes a gift of inestimable value;
drawing down from heaven more Grace
than any other action we can possibly make.**
