*"Prize fighter to cancer survivor: I am a Happy man... Though I was Paralyzed, in pain, could not breathe, three years I could not contract muscles... Come, See and Learn how YOU can live Life of Joy and Peace no matter what."*

GRACE IS THE MOST COSTLY THING I'VE  
EVER BEEN GIVEN!

I was about to enter the Church. Suddenly a woman called me, "Help me!"

I asked her, "How can I help you?" She cried, "I am attacked by demons."

I replied, "I can help you with this. I defeated seven demons and their prince, Satan."

I prayed with her and gave her a prayer which demons are afraid of.

I said to her also, "Do not talk to demons anymore. Just pray."

She said to me, "I see the Power in you. You have the Power!"

I said, "God is the Power."

She said, "You have the Power. I am a Psychic. I see invisible world. I talk to dead people..."

I replied, "Maybe, I have the Power from God."

I thought perhaps she sees the Holy Spirit in me

and she does not know how to name it.

She repeated, "You have the Power."

I said, "OK. Maybe. But I am a sinner."

She protested, "No! You are not a sinner!"

I got irritated, "Maybe I do not sin right now but I was a wicked man."

She shouted at me, "You have never sinned! I cannot see it. I see only the Power!"

I had enough and left.

I asked Jesus about this.

Jesus said, "You see how God forgives sinners.

He forgives, forgets and erases sins so that even demons cannot see your sins after your repentance.

Forgive others the same way."

I was Amazed! I am Forgiven! I am Blessed!  
God is so Good! Praise the Lord!

Come and see the goodness of the Lord!
